

An **e**xtraordinary Gift

This year give an ExplorationWorks membership to that special family or friend. Most annual memberships cost between \$35 - \$70, and include free access to ExplorationWorks plus over 250 other science centers around the world. Truly a gift that keeps on giving. Call, web, or come in and check out the great value of an ExplorationWorks membership. If everyone you know is already an ExWorks member...visit ExploreStore, our museum gift shop, for more ideas.
