If You Could Hear Me . . .

I could tell you about the power of consensus as the basis for community. I could help you understand the destructive nature of confrontation and divisiveness as the basis of governance. More important, if you could learn to hear me, you could learn about caring for children and about kindness and living in harmony with other people and the universe...

You Could Learn to Hear
What's in Your Own Heart.

A Public Service Announcement from the American Indian Institute and Traditional Circle of Indian Elders and Youth
